“ *Karen and Greg,
You do not know me. I am a friend of Greg's mom. I too understand what you are going through. 16 years ago I too welcomed a sleeping angel into this world. Know you are not alone. If you ever want to talk please feel free to get my contact information from Diane. Praying for you both!*

“ Dear Greg and Jackie you do not know me but I've been praying for you. I work in the office with Pat Hodges and Amy Mullins. Many years ago my Husband and I walked in your shoes. We gave birth to a baby boy the very same way you gave birth to this precious little girl. Please know that I'm here to listen to you, cry with you, pray with you anytime day or night. I remember feeling alone because so many loved us and cared but did not know what it was like to go through this exsperience. You have a friend in me. Please call if you just need someone to listen who understands. 443-298-0975. My husband and I went on to have two more boys and each time it was different and everything was fine. I'm so proud of you for celebrating her presious life. Sending lots of prayers and much love your way.
