I always enjoyed our many phone conversations. We shared many things such as the love of shopping. Both of our husbands were called Dicky and they were both farmers. We always shared what was happening in the community as well as church. Barb, you will be reunited with your loved ones and what a joyous celebration that will be. Rest in Peace Barb!

I have known Barbara since we were youngsters growing up on farms down Coks Neck on Kent Island 80 years ago. I knew her family well. We rode the same school bus and we graduated together with the Stevensville High School Class of 1955. We stayed in touch all these years and our conversations would always end reminiscing about our early days on the Island. We also shared a common bond as we both lost sons in recent years. Farewell well old friend and Rest In Peace.
