“ *My aunt Faye was one of five children, three sisters and one brother. I have a lot of cousins. When I reflect on memories from my childhood I think about how all of our families would go on vacation together every year and stay at the Bamboo Apartments in Ocean City. We all had so much fun. My aunt Faye had a great sense of humor and made our vacations hysterically fun. I also cannot leave out all of my fabulous memories with her at Gail's every Christmas year after year. I know I speak for all family members when I say we were blessed to have you in our lives and we will miss you dearly. Love Terry*
