“ Dear “Mom Mom”

I will never forget you or all of the long talks we had over the last 35 years. You told me so much & never held anything back. I know that you loved me & I loved you right back. I feel bad because we had drifted apart the past year or so with everything going on. 😞 I will miss you, but I know you are happy to be with Ray & Pete. May you Rest in Peace. Love always, Sheila

“ Mom Mom, we always had so much fun together. I thank you for always making me feel at home in the summers when I was crazy home sick. From the trips to the farmers market for frozen yogurt, to the walks to the deli down the street for our favorite provolone cheese, to the visits across the way to the giant old oak tree, to the endless late night card games. So long ago but will always remember those special little moments. Ive missed you over the years. Rest peacefully, mom mom. You'll be forever missed. Love you - Kristin

“ *I had plenty of good memories as a child and adult with mom. These last 7 months have been the most enjoyable. I have had the pleasure of being moms caregiver since her strokes in January. One of my favorite memories with mom was she would always want to go to wawa in Easton or Cambridge for coffee and butterscotch krimpets. She would always ask my girlfriend to ask me if we could go to was a because she didn't want me to get snippy with her. She always wanted to go everywhere with us. With that said, I want to say thank you for all you did for me. I love you and hope to see you again someday.*

“ I first met Mom Barbara (as I called her) about 7 years ago when I first met her son Zeke (Larry). She was always very respectful of me and welcomed me into her home. The last 4 years, I especially got to know her. I enjoyed sitting and listening to her tell me stories of her life over and over again. The last 7 months, the 3 of us spent a lot of time together. Hanging out, going places, drinking coffee etc. We're sure going to miss you! Don't worry about Larry, I promised you I would stick by him and I will do everything in my power to take good care of him. Rest in Peace ❤️

“ *My memories of mom, let me see she was feisty as heck and if she thought she was right you could not convince her otherwise. Also, she loved critters of all kinds (fish, dogs, cats, ferrets, pigs, skunks, iguanas, racoons), and that is just a few critters she loved. I remember one time she gave a baby piglet mouth to mouth resuscitation because it was not breathing. I also remember the time she raised a pig named Petunia and kept it in her house until it weighed about 350 pounds maybe a bit less but not much. She had even litter trained it. Then there was the time she had a little dachshund named Poochie and that dog was totally spoiled but she loved that dog to pieces and then she had Doll and Saber who loved just as much. She was something else. Rest in peace mom and make sure those critters up there behave themselves. Now I don't have anybody fun to pick on :) you will be greatly missed, hugs and kisses.*
