“ Joe and I will always remember Barbara as a caring and compassionate nurse at Corsica. She was such a skilled nurse who touched so many people in the area including us. We have stayed in touch with her at Christmas each year and will miss her Christmas letters giving us updates on her health and always adding her wisdom about enjoying life while we are 'young'. To Barbara's family, we feel your loss and extend our sympathy to you. Rest in peace, Barbara.

“ I also had the pleasure of working with Barb years ago at Corsica Hills. She was one wonderful lady and I can say I am honored to have known her. Patients could not ask for a better nurse to care for them. The world has lost a wonderful nurse but heaven has gained another angel. Rest Easy Barb! You will surely be missed. My condolences to her family. Shari Hershberger

To the family: What a wonderful lady that has left us. There are not enough words to describe what an awesome nurse she was. My father was in Corsica Hills for over five years and boy she was one caring lady and he loved her so much. We kept in touch with Christmas Cards and phone calls after she retired. I cannot believe I was called for a vigil on Monday night with a patient at Compass Regional Hospice and it was my great friend. It is a small world she took care of my dad for so long and I was with her during her final hours. Barbara you will be missed and you were loved by many people. RIP and you surely received a crown when you reached heaven's gates. Love ya girlfriend, Lynda Palmatary
