

Barbara Ann Mooney

August 31, 1957 - January 9, 2023

It is with great sadness that we announce the sudden passing of Barbara Ann Mooney of Easton, MD. She was also known as Miss Barb to her coworkers, Barb to her friends, Mom to her children, and Nanny to her grandchildren. Barbara passed unexpectedly on Sunday, January 8, in the comfort of her own home. She was 65 years old.

While Easton was her home since 1974, she was born on August 31, 1957, in Jersey City, NJ, and grew up in Cliffwood Beach.

She was preceded in death by her father, Robert Thomson; her mother, Irene Thomson; her brother, Robert Thomson Jr.; and her sister, Elaine Thomson. She was survived by her sister, Renee Thomson; her son, Jason Mooney; her daughter, Lisa Tyler (Dave); as well as her two granddaughters, Sarah and Annah Mooney.

Barbara had not only an insurmountable love for her family through blood, but also for her family at the Easton Police Department. She was a part of the EPD for 32 years and was the backbone of the service department as a Records Administrator. Her love for what her job entailed played a great part in why she showed up thirty minutes early every day, but the greater reason for that was her love for her coworkers and the found family she discovered through those relations.

Barbara loved the little things in life, including the Christmas season; soft pajamas; reality TV shows; sewing; shopping sprees with her granddaughters Sarah and Annah and her daughter Lisa; conversing with her coworkers; the New York Giants; the color purple; chocolate covered cherries; Lipton tea with a splash of milk; David Bowie and Pearl Jam; Stephen King novels; and the in-between seasons like autumn and spring. These are the little things that made up Barbara as a person, and every little piece will be missed endlessly by many.

The memorial service for Barbara will take place on Sunday, January 15 from 1 p.m. to 3 p.m. at the Fellows, Helfenbein & Newnam Funeral Home, 200 South Harrison Street in Easton. A celebration of life will take place at a later date that is still to be determined.

OMG. I was just trying to locate her after a lot of years. I tried quite a few time. We went to high school together and we're best friend. Oh Barbra I wish I could have found you sooner. ❤️

“ This picture of Barbara is how I remember her most! As cousins, we grew up together, shared the best of times...she was a fun and funny kid, always fun to be around,,happy to have had her as a bridesmaid when I got married! She raised two beautiful kids both of whom I'm sure will miss her greatly, as well as her granddaughters, I will always remember the kindest of words she had when my mom passed almost 20 years ago - I was glad to have spoken to her recently when her mom passed - She will be missed by all who knew and loved her and we will all smile with warm thoughts, love and fond memories of her!
