“ We have known Barbara for over 43 years in Annapolis Maryland. Actually, John and I were married at her home on South River in 1985. What we remember the most is her laughter, her love of life, her sense of style and her beautiful hats. After moving away from Maryland for over 30 years we were so surprised to find that she lived right around the corner from our new home in Easton and we were so happy to be able to reconnect with her after such a long period of time and meet her new husband Ray.

We will Miss Barbara but we have such great memories❤️❤️❤️
