“ *My thoughts and prayers to family and friends. Miss Barbara was a wonderful neighbor and friend to my grandparents and their family. I remember visiting her and Mr. George on many occasions, talking, cross-stitch projects, preserving, and just enjoying time together.*

*RIP Barb - so sorry we didn't get together these past 5 or 6 years, but living in Florida didn't help. Our friendship goes back so, so many years. Can't help but remember all the parties we had. Now you and George are back together again and Bill and I are remembering our special friends.*

*Aunt Barb. loved to cook and she loved to read. When she and Uncle George started dating, she was in nursing school. He would pick her up and they would come to the farm for a visit. Sometimes she and Aunt Ada would come spend a free afternoon and have dinner with us. I hope you are at peace, and you and Uncle George are together again.*

“ *I am one of the nurses that took care of Mrs Redman and it was truly a privilege to work with her she was an amazing lady she loved to read her books every night so when she read all the ones she had I brought her in my whole collection of my Daniel Steel books and to see her face light up melted my heart she couldn't believe that I had inscribed every book with her name with love from me. I truly fell in love with her the very first time I met her. Fly my Angel you will be truly and deeply missed*❤️
