“ *I'm very sorry to see that Barbara passed. I've been her hairdresser for many years. I know she is now with Mike and finally at peace. She has spoken of her family many times and I enjoyed her stories. Prayers to the family.....*

I have been waiting to read Barbaras obituary. She and Mike were such an interesting couple and my late husband Bob and I enjoyed many good times with them, including at the country club, dinners in town and some very interesting times at the Aspen Institute. May she rest in peace along with Mike. And to her family, they always spoke of you with love and great pride. My sincere condolences. Doris Fischer Malesardi
