“ I first met Barri when we worked together at CNB back in the late 90's early 2000's. We stayed in touch throughout the years with the last time being this past summer when we ran into each other at 7-11 in Queenstown. I have a cobalt blue chicken figurine in my kitchen window that Barri gave me for Christmas one year. It has always reminded me of her when I look at it and now it will forever be a reminder of the wonderful person Barri was. Barri was thoughtful, sensitive, giving, gentle, loving and kind. She will be missed ❤️
