

Barry Robert Oren Sr.

July 23, 2003

Barry Robert Oren, Sr. of Queenstown, was carried into the peaceful, loving, Hands of the Father, Wednesday, July 23, 2003. His passage from the loving, compassionate care of The Sidney Kimmel Comprehensive Cancer Center at Johns Hopkins will be forever remembered.

Born in Harrisburg, PA, in 1940, Barry was a fixture in the wholesale appliance industry for 30 years. A wise and natural businessman, he and his wife Jackie moved to Maryland's Eastern Shore in 1998, where he and his son opened the local Sear's store, which immediately turned into a true family operation, including all members of the family even the grandchildren. Most recently Barry earned his real estate license and worked with Weese Realty.

Barry's passions were his family – sharing with his wife a great joy when they were all together for a holiday, a vacation or just a simple meal. His interests were quite varied; he was an avid fisherman and a true student of the art of fishing; boating carried a special relaxation for him; specialized machinery offered a real fascination – particularly race cars and airplanes; but his genuine interest in people was felt by all who knew him and was evidenced by the many and varied conversations he would have with anyone about anything.

Barry is survived by his loving wife Jackie of 44 years; his daughter, Aimee;

son Barry and their families including two grandchildren, Jaclyn and Trey.

A burial service will be held at the Old Wye Church in Wye Mills, MD on Monday, July 28, 2003 at 10:00 AM.

In lieu of flowers the family requests donations to the Sidney Kimmel Comprehensive Care Center of Johns Hopkins, 401 North Broadway, Baltimore, MD 21231-2410.
