“ *Aunt Bea was, hands down, one of the kindest women I've ever known. I am honored to be part of her family. I have fond memories of hanging out with her, Uncle Mike, Nanny, and Pappy when I would come down to visit--we always had a fabulous time! I don't think I ever saw her without a smile. Her hugs were stellar and I will surely miss them. I have many fantastic memories but one truly glows brighter than the rest--it was one of the most thoughtful, tender things anyone has done for me, she advocated for my heart that day and gave me a tangible piece of someone who I had lost, I will cherish and be grateful for that advocacy of my heart until the day I die!*

“ So grateful I got to spend time with her. Sitting around the table
eating pound cake, while she shared stories of my Martys
childhood. The music she and Mike shared and loved reminded her
of happy times. We will so miss that smile. Love that Lady. So sorry.

What a great road trip. Stops every hour for food or ice cream no wonder it took 2 1/2 days to reach Austin from Easton! Love this picture of the two of you in Luckenbach, TX. We will miss Aunt Bea and wish she was here for the next road trip. Our hearts are with you today Uncle Mike. Love you both Anita & JP

“ Mike and family, Ron and I were so lucky to be part of Aunt Beata,s life. We all got a second chance to share some very good times with Aunt Beata and Mike. My mom and dad already knew this wonderful woman, Kathy, Karen and Barbara . I can just picture my mom and Aunt Beata posing in their bathing suits in front of the foil backdrop once again. In our hearts and prayers. Love Ron and Ceal Fleischmann

“ *Mike,
I was really sorry to hear about your wife. I hope God gives you and your family the strength to get through all this. My heart went out to you and your daughter that day when we were all outside at the hospice house. Sometimes you meet people who just reach out and touch your heart and you are that kind of person. Please know that you are in my heart and prayers.*

“ When I was sitting with Mommy at the hospice I said to her that I was lucky to have her as my Mom and that she was the best Mom ever. She looked at me and said "I hope so". I told her to never doubt that. That she had taught me so many things but the most important was to be kind and carrying just like her. Mom was a special lady who gave of herself and never asked anything in return. She had an infectious smile and I will miss her everyday of my life until we are together again. It will be then that I will feel her loving arms around me giving those wonderful hugs only my Mom could give that I miss so much already. Mommy you will always be in my heart. I love you. Kathy

“ Our most sincere sympathy to Mike and the entire Family. Bea was the limelight of everyone she knew. Always had a smile for everyone and we know that she touched everyone's heart, especially Mike. She touched ours, just as she touched Mike's and that is why we called them our adoptive parents. Her pains have left her and she rose to a better place and now looks down upon us all.

Mrs Bea What a pleasure it was caring for you and your family. My thoughts and prayers are with you during this time of sorrow. She was a beautiful lady and such a blessing to get to know and talk with. God received a very special Angel and She will always be by your side. She is with the God now and is in no more pain.
