Daddy came home from the Love Point run. "Brad and Nancie we will
have a young man named Toddy Denny helping us cut grass." Toddy
never talked in school he always smiled and was nice to everyone.
Many Stevensville High boys helped Willie cut grass on the Island, and
he was one of the nicest. Like all teenagers on the Island once they
turned 16, had a car they went to work at the local service station, on
the water, just not grass cutting anymore. Dad always asked about his
"boys". One day he came home, Brad and Nancie, Toddy has joined
the service, I hope he stays safe. Sandy, God Bless you and your
family. His smile has returned Nancie "Lewis" Hall

Always remember how special he was and the many memories you all shared. Growing up on Kent Island was special, everyone was family to everyone, and your Dad was a "mess" but a good mess. God Bless Nancie Lewis Hall

My thoughts and prayers are with Sandra and her family. Toddy was a good friend and always there to help if you needed him. He was a good ole Eastern Shore boy and we all loved him. Never heard a bad word about him. Fly high with the angels Toddy and we will all see you at our heavenly reunion someday.
