“ *Jim and I are so loss for words Timmy, Marsha and family. I loss my sister to suicide, so I know all to well what it's like to get that phone call. It's a different kind of hurt then losing someone due to sickness. All I can say is trust in the Lord, he's in control and has a plan for us all, we may not know when, why or what, but he does and will guide us to where we are suppose to be.....Love this family for 48 years !!!!*
