“ Hi Edward, Eireann and April it is hard to find the right words when a loved one like Bernadette is taken away from you. Take strength in the knowledge that she led a fulfilled life and is now promoted to another life where she will receive her rewards for the kindness, caring and love she bestowed on you all and her friends. “ Dear Mr. Ed and Bernadette's special girls. Mrs. Bernadette took care of my husband daily before she got sick. My kids-young like yours- were with me every day visiting their daddy. Ms. Bernadette would talk to our kids...and care for them almost as much as she cared for my husband. Mrs. Bernadette was truly special. She was so sweet and caring to all those around her. She would mention the things that she wanted to do on her days off with her girls. Girls...know that you are indeed special for having her as your mother. Hold onto all the memories.  
The Thompsons will be praying for your family. May God help you through this difficult time.##imported-begin##Joe and Rebecca Thompson##imported-end##

“ Ed and girls - we are sorry for your great loss.. Bernie was a beautiful lady - and we loved her smile. Always friendly and loved by many - she will be sorely missed by many people; but we know there is no more pain for her and she is in the presence of God. We are praying for you - and we're here for you (anytime).

“ Bernadette was such a sweet person. I worked with her at Corsica and she was loved by all the residents and by those of us who got to know her. She had a heart of gold, always asking how everyone was, and just a gentle person with a demeanor that made you glad to know her. I will miss seeing her but I know she was a woman of faith and God will take of her family. I just hope her family knows how much we all thought of her.###imported-begin###Sherri Szczechura###imported-end##
