“ *Bernie was one of the kindest, most giving people we ever had the pleasure of knowing. He was also very funny. He adored his family and was a loyal friend to us and our family for over forty years. He shared a birthday with Dale's Dad and we always thought of him when celebrating his birthday. Bernie did one of the kindest things for us when we first started our construction company, he donated his time for hanging the sheetrock, that will always be one of the greatest gifts we ever received and will never be forgotten!! May you all take comfort in knowing how much he was loved and may God give you peace!!*

“ My heart and prayers to the family and friends of Mr. Nehring. Though I only got to see you as I was passing through to take Carine to hang out I enjoyed your sweet smile, shining eyes and a kind hello. May God be with you all... Love Shelly Clark

I used to cut his crass when I was a kid. He could have done it himself but allowed my brothers and I to do it so we could make some extra money. He and his wife were so very kind to us. He will be sorely missed!

“ Uncle Bernie was one of the sweetest, kindness, and wonderful person I knew. Every once in a while he would surprise me with little gifts. I still have the brass duck book ends and duck paper weight he gave me. I will miss him and keep him in my thoughts and heart forever. God bless you. Love you Uncle Bernie💕💕💕

“ How we loved Uncle Bernie! Brother Dave's fishing buddy! I remember when he made Aunt Harriet's black walnut cake for us when she had passed into heaven. It was so good and he said he used her recipe! I remember playing "pitch" in their dining room and getting so excited when the gals won! Wonderful memories and such close ties that will continue from generation to generation. How blessed we all are to have a Heavenly Father that loves us and welcomes us into His glorious Kingdom when we love our Lord Jesus! Rest in peace Bernie! Give Dave a hug and kiss from us!
