“ Mom there is no way I can ever say how much I miss you. To us you will always be Mom Sissy. You were my best friend and I could always count on you to go to the Goodwill with me. I know you are still near protecting us just like when you were on earth. It was hard to let you go. I hope you have got to meet up with your friends and family. I will always love you. ##imported-begin##Linda Steigerwald##imported-end##
