“ Two years you have been gone and I still pick up the phone to share good news with you. They say that time will heal all pain, I really doubt that. I love you more today than I ever have. Your loving son. Ray

“ Gene, Bill and families - Please accept my condolences. So very sorry to learn of Bertie's passing and of your loss. Even though we were not in touch very often she was very dear to me. “ Bill, Gene and families,
I am so sorry to hear of your loss. My thoughts and prayers are with you. It has been quite some time since I have seen or heard from any of you. I know Mom was quite excited about the possibility of getting to see your Mom about a year ago, but her hopes were dashed when the trip had to be postponed. Your mother's spirit will live forever in your hearts if you try to savor the good memories. May God be with you all. Your cousin, Deb##imported-begin##Deborah Daugherty##imported-end##
