“ *I'm very sorry to hear about your loss. She was like an extra mother to me, always making sure Marcie and I and the rest of the gang didn't get into anything too crazy in our teens. We always knew she had our backs when the going got tough. She was a fine lady.*

“ *A Tribute*

I would like to pay tribute to a grand and gracious lady who has been a close friend for over forty years. When I first came to Washington area she and her husband were very helpful by inviting me into their home making my transition to the new area much easier. As her husband and I formed new business firm she was a strong supporter and encouraged us in our endeavors. She became a great friend with my wife and over the years they both shared a close relationship. I used to kid her a lot about her not knowing what real snowfalls were like as I knew them from the northern area where I came from. She always retorted you'll find out soon enough! And that I did. One day in February there was a local snowfall of over three feet and we were all blocked from getting into our homes. From then on she was the one who kidded me!

I express my deepest condolences to her husband and her family in their great loss. She was truly a grand and gracious lady and she certainly will be missed by all of us.

Sincerely

Lee Gauthier

“ *Chrys and I roomed together at High Point College, and I remember that time with her so fondly. We shared sorority activities, studying and good times together, and she introduced me to my future husband on a trip to Roanoke together. We also took the life-saving instructor course together! Though we had spoken seldom in the past years, I am having a very hard time realizing that I have missed any chance to visit with her again. All my deepest sympathy and love to her family.*

“ *To the Family of my High School friend Betty Stultz:: Betty and I were in the same classes and graduated together in 1956. I lost track of her after School except for one class reunion I believe we attended together. She was a delightful person to be around and I am very sad to hear of her death. Marilyn Tucker Tomblin called me and I also read it in the paper. Please accept our condolences and Blessings to her Family. May she Rest In Peace with the Lord.*
