“ Quiet and patient, caring and kind. We all loved Aunt Betty for the way she selflessly cared for us, fed us, helped us, made us feel special. She loved taking care of her flowers, her birds, her lima beans, her chickens, her grandkids. Behind her mild manner was a strong woman who often dealt with adversity without complaint, and who always was thinking of others.

And grandkids, you may not know it but Mom-mom Betty was also a hoot! She was hilarious when stirred together with her sisters and sisters-in-law; capable of cutting up like a teenager in public and incapable of keeping a straight face when posing for a picture. In the right company, she could be coaxed into performing ridiculous songs and making goofy faces. She was smart and inquisitive, interested in local history and stories of lighthouses and ghostly legends. On trips with the ladies (long before GPS), she was the navigator (of course, if you think about it, would you really want Aunt Marge navigating?). Aunt Betty was always game - ready to pitch in - in both work and play. We have all lost a little of that laughter and love this week but we will all carry a piece of her in our memories and in our hearts.

*P.S. If there are any blackbirds in heaven, they better look out :)*

“ I want to thank Aunt Betty for being such a kind and friendly person to all of her nieces and nephews. It was a pleasure to go to donut day and hear all the chuckling going on. I remember hearing about “M R Ducks” for the first time there. Thank you “little Linda”. God bless you Aunt Betty. You will be missed.

“ I can't even wrap my head around the idea that she's gone... Mom-mom Betty was the most loving, patient, and sweet grandmother. I can only hope to have been blessed with half of the patience she had. On Wednesday when the Chaplain came into her hospital room to read her her last rights the chaplain had asked if we wanted her to say a prayer to forgive mom-mom of her sins...we all looked at each other and thought the same thing that mom-mom didn't have any sins. She never said a bad thing about anyone and I cannot recall her ever yelling once. She would do anything for anyone and never once did she expect anything in return. I am forever grateful for everything she did for me. I always enjoyed listening to her stories from when she was a little girl and about when Mom and Uncle John were growing up. My favorite memories with her were when my brother Nick and I were little and spent the summers there playing in the garden, going to get peaches, big family dinners, and mom moms fried chicken and strawberry jelly. It is comforting to know that she is no longer suffering but I am really going to miss her. I love you mom mom forever and always. "It's always sad but comforting to silently recall your smile and dear familiar face so loved by one and all, for the world may keep turning and change from day to day but precious memories of you will never fade away and here's hoping that this message that carries so much love will somehow find it's way to you in heaven up above it's to let you know dear grandma that although you are at rest, you'll live forever in the hearts of those who loved you best". Love Katelyn, Nick, Rebecca, Christopher, Brandon, Anna, and Emma ??

*She was the best mom mom ever, wasn't she? Her strawberry jelly was the greatest, and even better on her biscuits!!!. Katelyn, Uncle John and I will be here for you, whenever and wherever you need us. I know that we will never come close to being the amazing woman that Mom Betty was, but just know, that even though she is not here with us any longer, her love lives on, through all of us.  
We love you!

*Katelyn, I was just catching up reading the last few days of my newspapers and with what little you told me about your grandmother, and then I saw your name as one of the grandchildren, I realized that it was her. I want to let you know how sorry I am for your loss. I will keep all of you and her in my prayers. Love, "Miss Brenda" Jennings p.s.- now you can cut the roses but you need to take care of them for her!!*

“ Mom Betty... What an amazing woman she was. A person could not ask for a sweeter, kinder, gentler person, than her. I met her years ago, when I met her son, Johnny. I didn't know then, that she would end up being the most wonderful mother in law in the world. Never once did she and I ever have a cross word with each other. She loved me like her own and treated me with kindness, love and affection. The love that she had for her children and grandchildren cannot be measured. I don't think I ever heard her say NO, to the grandchildren....EVER!!! I enjoyed taking her shopping, talking with her on the phone, and just listening to stories of her childhood and days on the farm and how she would dote on " Little Johnny". He was the apple of her eye. I don't know that there was a stronger love than the love she had for Johnny. Don't get me wrong...she loved Linda equally, but Betty and Johnny had such a special bond. I have never seen a stronger love between a mother and a son. The day that she was taken to the hospital, was one of the saddest days that I have ever experienced. The days leading up to her passing were some of the hardest days I think I have ever had to watch. To sit there and watch that wonderful woman, mother, grandmother, mother in law, sister and friend endure what she did, was absolutely torturous. Johnny and Linda spent her last 5 days with her and had to come to the realization that the most amazing woman in their world was not going to recover. The pain that I felt in my heart, was indescribable. I know that the love they had for their mom is one of the strongest loves that I have ever been able to witness between a parent and her children. Up until her last breath, she tried to console them and tell them how much she loved them. My heart broke that day and an empty space has been left where a big heart once was. Mom Betty was very dear and special to me and I will forever be grateful for her touching my life and making me a better person just by knowing her. I will treasure each and every memory I have of her. If I can be half the mother in law that she was to me, I will be happy. She was truly an amazing woman who touched everyone she knew in a special way. I will miss her dearly and pray that she is up in heaven, looking down on her family, knowing how wonderful that we all thought she was. Rest in

*peace Mom Betty....I Love You, Shelly*

“ *Aunt Betty was a wonderful person, she helped me so much when I was young, entering the first grade at the age of 5, I was scared to death, only wanting to go home. Aunt Betty was in high school, I would get so upset, the principal would go and get her, she would always make me feel better, She would get me icecream, I got it every day my 1st year. When I was older, getting ready to attend a school function, she paid for me to go to a beauty shop in Preston, and get a perm for my hair, which was a lot in those days. She ordered me a dress, it was red at the top, and red and white checked skirt, with a big rooster on it. I thought it was the most beautiful thing I had ever seen. She made the best cream puffs, and all types of pastries, I loved going up to the farm so I could get these treats. She was a very kind and thoughtful person. Today my Mom suffers from Alzheimers, she called Aunt Betty to talk at least 10 times a day, she never complained only listened, my Mom will miss her so much. I thank her very much for her kindness.*
