“ *We have already been missing Betty from Tuesday bridge. We ate lunch with her almost every week. I especially liked all the stories she told about living in Talbot County and all the trips she and Fred took all over the place. She loved her family so much. I learned a lot from her and will never forget her.*

“ *So Many memories over nearly 50 years.....golf and "The Great Golf Marathon" of 76 holes of golf in one day.....bridge and sharing a table at lunch nearly every week; trips to Northeast Harbor at the Sculls celebrating David and Betty's birthdays on June 30th and mine on the 29th. Playing in her 4-some the first time I broke 90 and her keeping me calm when I ended up in the deep bunker on our last hole. I loved Betty and crazy Fred so much, and send my deepest sympathy!
