

Betty Davidson Haynes

May 7, 1926 - December 7, 2012

Betty Davidson Haynes, 86, of Easton, MD, died Friday, December 7, 2012, at The Dixon House in Easton, with her loving children by her side.

She was born on May 7, 1926, in Long Branch, WA. She was the daughter of the late Elmore Elkins Davidson and Lona McAllister Davidson.

Betty was a real estate broker in Maryland and Virginia for many years. She was also an accomplished contralto singer in churches in the Norfolk, VA, and Washington, DC, regions. Betty also enjoyed volunteering at the animal welfare shelters as she had a very caring heart for all animals. She also volunteered to help teach people to read who never learned through school. Betty was a very independent strong woman who will be missed by many.

She is survived by her two children, Jefferson L. Haynes of Easton, and Carmen I. Crescenze of Huntingtown, MD; two grandchildren, Eric Crescenze and Adam Crescenze, US Army; and a brother, Robert Davidson of Churchton, MD.

In addition to her parents, she was preceded in death by her husband, Roy M. Haynes, who died in 2004.

A memorial service will be held at Fellows, Helfenbein & Newnam Funeral Home, P.A., 200 S. Harrison St. Easton, MD 21601 on Tuesday, December 18 at 5 p.m., where friends may call one hour prior to the service. Interment will be private.

The family would like to offer a special thank you to The Dixon House staff for their outstanding care.

Flowers can be sent to the Helfenbein & Newman funeral home at 200 S. Harrison St. Easton, MD 21601.

“ *Betty was a wonderful sister, sister-in-law and aunt. She will be remembered fondly. We always had a good time sharing a pizza on a Friday night. I really enjoyed the two trips I took with her to New York. You will be greatly missed.*

“ My Aunt Betty was a woman full of energy and who loved life. She touched the lives of many with her warm and outgoing personality. I remember good times as a child at her home in Upper Marlboro. Then later in life visiting her for our girl's nights for pizza and a movie before moving to the Eastern Shore.

Aunt Betty I am sad that I hadn't those few precious moments to hold your hand and say goodbye personally. You may be gone from this earth, but your memory remains in my heart.

Love your niece

Cindy

Cindy,

I am sorry that you and your family feel slighted for not being notified. I was under the impression that you had the same opportunities as anyone else to visit my Mother. I did tell your sister around Thanksgiving about the seriousness of Mom's declining health so this should have been enough notification for your Family to make an effort to visit my Mother if she was so dear to you. Both of my Sons came to see her, but I can tell you that as her health really started to decline, she did not want many visitors and if she had them, it was for short visits as it was very tiring for her.

I can assure you and your family that if my Mother wanted your presence in the final journey of her life, you would have been notified. Those were not her wishes.

My Brother and I and whole family are grieving for our Mother at this very difficult time in our lives and would appreciate understanding from your family. It serves no purpose to post disgruntled feelings, just hold your memories close to your heart. This is what my Mother would want.

“ *Mrs. Haynes was such a wonderful lady. She would make me smile everyday! I will miss her dearly. I hope that I have as much spunk as she did when I am her age. She will be in my heart forever.* ”
