“ *Mom, Billy and I wanted you to know how much we both LOVE U. Actually More Than Words Could Ever Say. From the tops of the sky, to the bottoms of the Ocean, All around the world again and again and again, All the stars in the sky all the fish in the waters could not even express our love enough or how much you are missed.*

“ Mom gave me this poem years ago

On The Wings Of Prayer

*Just close your eyes
and open your heart
And feel your worries
and cares depart,
Just yield yourself
to the Father above
A let Him hold you
secure in His love...
For life on earth
grows more involved
With endless problems
that can't be solved-
But God only ask us
to do our best,
Then He will "take over"
and finish the rest....
So when you are tired,
discouragd and blue,
There's always one door
that is open to you-
And that is the door
to "The House of Prayer
And you'll find God waiting
to meet you there...*

*Mom your are in Heaven with our father above .Looking down on us
with so much Love.I Love You Mom Always Have and Always Will.
Never a Day Will Go By You are always on My Mind And In My
Heart*

Love June

“ You were a precious gift from God above,
so much beauty, grace and love.
You touched our hearts in so many ways,
your smile so bright even on the bad days.
You heard God's whisper calling you home,
you didn't want to go and leave us alone.
You loved us so much, you held on tight,
till all the strength was gone and you could no longer fight.
He had called your name twice before,
you knew you couldn't make him wait anymore.
So you gave your hand to God and slowly drifted away,
knowing that with our love we will be together again some day.

Love You Mom, Mary

“ ?Mommom I miss you so much. The holidays will never be the same without you here. I remember you coming to Mom's every Thanksgiving and Christmas for the dinner and all the fun we had. You always made the holidays better. I'll always remember you in the summer when we have crabs. You did love them ") I am so glad I got to spend time with you especially in these last few years, you always made me smile. I'm also SO GRATEFUL you got to be a part of Alayna's life. She loved blowing bubbles with you. I remember you and Alayna laughing at the nursing home just a few weeks ago. Time goes by so fast...Not a day will go by where I won't think of you. I am so sad you're gone but, I am glad you're at peace now and up there with Poppop probably dancing as you used to. Love you Mommom, more than I can say. ?

“ Grandma we love you with all our hearts we will miss you very much but know your in a better place and that your happy now with grandpa ...probably singing "on the road again " :)

Angela Hurlock - October 23, 2011 at 07:47 PM

“ God looked around his garden,
And found an empty place.
He then looked down upon the earth,
And saw your tired face.
He put his arms around you,
And lifted you to rest;
God's garden must be beautiful-He always takes the best.
He knew that you were suffering,
He knew you were in pain;
He knew you would never get well on earth again.
He saw the road was getting rough
And hills were hard to climb
So he closed your weary eyelids, and whispered,
"Peace be thine."
It broke our hearts to lose you,
But you didn't go alone,
For a part of us went with you,
The day God called you home.
