

Betty J. Jones

June 11, 1934 - March 24, 2020

Betty Jones of Chestertown, MD, died on Tuesday, March 24, 2020, at Christiana Hospital. She was 85 years old.

Born on June 11, 1934, in Rock Hall, MD, she was the daughter of the late George D. and Gladys E. Donnelly. She was a lifelong resident of Kent County and graduated from Chestertown High School, Class of 1953. Betty was a long-time member of First United Methodist Church as well as a member of the Frank M. Jarman American Legion Auxiliary Post #36, the Red Cross and the Queen Ester Circle of the United Methodist Women.

Betty was known for her keen sense of humor and her fantastic memory of faces and the detailed family heritage with which they were associated. She developed this encyclopedic family knowledge during her 33 years of service in the Acme Markets meat department and at the end of her tenure, she managed the deli department.

She loved to fish, crab, travel and dance. Her favorite dance partner was her husband of 66 years, Sonny (Willis Jones), who survives her along with nieces and nephews.

The Coronavirus has impacted our everyday lives and sadly it includes the celebration of life affecting friends and family of loved ones and their ability to

visit and pay their respect in traditional ways.

Betty Jones and her love and care of people, along with her hearty laugh, is the only thing more infectious than this virus. Knowing that her husband has made the difficult decision to respect what he knows to be her wish to never potentially hurt anyone and have a private service, he asks that you remember Betty in your prayers and think of your favorite time with her and laugh out loud.

In lieu of flowers, memorial contributions may be made to First United Methodist Church, 105 N. Mill Street, Chestertown, MD 21620.

“ Aunt Betty, it is with a heavy heart I try to express what a wonderful aunt you have been to me. You were always there when I needed an ear to talk to, cry, or just sit with me. I'll always remember the Summers I came and stayed with you in the house in town, when Miss. Gin and Mr. Jessie went crabbing and all of the parties we had. Every time we came to Chestertown and we would visit you at the Acme while you were working. You never judged anyone and we're always ready to help. You and Uncle Sonny had a wonderful love story. I honestly believe that kind of love is precious and wish more people could find that type of love. There are so many memories I would love to revisit with you. One day we will all be together again. Until that time, keep dancing with Aunt Gladys, help Aunt Ethel keep Pop and give Daddy straight, and give Daddy a big hug . I miss you already with your infectious laugh, red lipstick, and all the jokes we shared. We will take care of Uncle Sonny on earth until you meet again. I was going to share what we would always get you to say, but Uncle Sonny would give “the look” I love you and may the angels welcome with you open arms.

“ *I was extremely saddened to here of Mrs. Betty's passing. If not for her, my grandmother and great grandmother I would not be on this earth today. They all helped my mother get me through an infant disease that should have taken me. I will forever be grateful and now will always have an empty spot in my heart. Rest in peace Mrs. Betty as I am forever grateful to have an Angel watching over me every day on this earth. Mr. Sonny I am only a stone throw away for anything you should ever want. May God help you through these difficult days ahead.*
