“ *I am sorry for your loss. Ms. Betty was an amazing lady. She was one of the warmest and most caring people I have had the pleasure of knowing. I can't help but smile on the inside when I think about the legacy she leaves behind. She taught a lot to her children and grandchildren. Just thinking about the generations that have been and will be blessed by her warm heartedness. We can only hope that we can have as strong of a finish to our life as she did.*
