“ *Betty, as my newly found sister-in-law back in 2017 and discovering Bob was my half brother, we got to see each other twice and spoke on the phone a few times or so. You truly are a sweet lady and I know you had something to do with Bob accepting me into the family, since he, Bill, Verlin, Patty, and I share the same birth father. I thank you for your part in that and truly wish we would have had more time to get to know each other. I am truly honored to have gotten to visit with you during my last visit when your sister was staying with you and helping you out. I will miss you very much and will do whatever I can to look over the Short Family as the last Short brother. We will all honor your memory and your desire to protect and love the family.*
