“ *The lost of Betty has filled my heart with sadness. Betty was such a good person, loved talking with her about family. She spoke of the love for her family. Knowing that God has taken this angel to be with her Eddie makes me happy. Mary Zonetti Office Manager of Kent Island & Rehabilitation*

“ *Betty's family, we were second at the scene of the accident. Our sorrow is deep. We have lived here in PB over 20 years with Betty and Ed, before he passed. She was our pet locator in the early years and someone we all loved. We know she loved all her step children dearly and we are all deeply saddened by your loss. The Blinoff and Kolbeins family.*
