“ *Dear Donnie & Family: So many memories as I think back. Memories that would mean more to me than others..The first would probably be the fantastic mac&cheese that I devoured on our first meeting! lol.. The EVERY Sunday meals. The birth of her first Grandson(David Michael Usilton) who would become a Major in the USAF. We definitely enjoyed ownership of him! She was a woman of many talents including plumbing and repairs of all types. Thank goodness she could sew! She was kind and gentle with her Grandkids and all children. She remained steadfast and true to the love of her life, "the old man", as we all called him. She was a very hard worker and devoutly religious. Her patience, her common sense, her laughter will be missed deeply. We mourn with you Donnie and Family. Love Lynn & Ski.*
