“ *Grandad,*

*I always love seeing you and the whole family. It's an inspiration to think of all the family reunions at the beach and visits you and Nanni made to each of us. Yours was an example of a marriage, fatherhood and motherhood, that I hope emulate and support with my wife. I will cherish your stories and historical anecdotes and Nanni's overwhelming support for the rest of my life. I can't say enough how blessed our family has been with you at the helm. My thoughts and prayers are always with you.*

*Love*

My heart and prayers are with you and your family. May your fondest memories stay bright and clear and carry you through this darkness. Aunt Betty was an inspiration to us all with her undying optimism and strong belief. I have many happy memories of staying with you in San Diego and learning from Aunt Betty that each day you had to give and live your best.
