“ *Please accept our heartfelt sympathy at this most difficult time. We so enjoyed getting to know Betty through Cheryl and Tim and also through John at various VFW events. She was beautiful, kind, and elegant. Betty's love for her family was evident to all that met her. The world is a better place because of Betty and we were lucky to be graced with her presence. Our thoughts and prayers are with you.##imported-begin##Pete and Marie Martinez##imported-end##*

“ My heart is saddened this morning to learn of your great loss. Betty had a wonderful family and I know she was so very proud of you all. We never forget our Decatur girls and we are always happy to know they were loved and life treated them well. I lift you all up in prayer; asking God to give each of you the strength to get through the coming days and to give you extra strength in knowing one day we will all see her again. God bless each of you and stand by you all the days of your lives.###imported-begin###Barbara Savell###imported-end##

“ Uncle John, Cheryl and Tim, Carol and Jeff, and Gram's Boys: Our family and community has suffered a tremendous loss. The last few weeks has been a roller coaster ride that has now ended in Aunt Betty gaining eternal life. We know in our hearts she is in a better place, but our pain is real. Time will help us heal, but I don't foresee any of us being cured from this loss. We are a strong, close family and for that, let's be grateful! I love all of you and will always cherish the memories I have of my Aunt Betty- her piano playing, making my majorette outfits, punching my Dad when he set her playing Pitch, our trips to Rehobeth Beach and her going out on the town with her nieces and nephews, her excitement when she became "Gram", our vacation to Disney World and Mississippi- I could go on and on. May she rest in peace and may we comfort one another during this difficult time.

Love,

Jane###imported-begin##Jane Anthony###imported-end##

“ Our Betty was beautiful and kind woman. I loved her and she was my friend. Although I did not have the privilege of knowing her as long as some, I am and will always be eternally grateful and blessed for the privilege of knowing her and the honor of calling her my friend. She taught me just about everything I know about the law and was never ever too busy to explain something or share her knowledge. During my own personal struggles Betty was always there for guidance, understanding, and a reassuring hug. I sought out her insight on many occasion, she was never judgmental, never too busy, and she was just what our Betty was to all that knew her, the purest of souls and the warmest of hearts. She loved her family and friends without end. All of us have suffered a terrible loss, may our prayers and thoughts be with her husband she loved and her family she cherished. I love you Betty and I will miss you, thank you for being my mentor but most of all thank you for being my friend. Love Michelle###imported-begin##Michelle S Westefield###imported-end##

“ To Betty's family,

I have only known Betty a short period of time. I met her through the quilting world, of course! She was a most delightful person wit a beautiful smile and that soft Southern laugh.

My heart goes out to her family and friends. You are in my thoughts and prayers. I will miss her.

“ Betty was our "true southern lady" who will not only be missed by her family but her many friends also. She was my dearest friend and quilting buddy. We spent many hours together going to quilt shows and classes and talking about our families and husbands. We took turns leading each other astray. I know how proud she was of her girls and her grandsons and she knew all about mine also. My little Jacob was her "donut hole" buddy. I loved her very much and will miss her with all of my heart. Our prayers are with you, John, your girls and your grandchildren.
