“ *What a beautiful wonderful lady. She would come to visit and share her stories with us and wait for me to get home from work. To surprise me with her Chocolate zucchini Cake. Her and Buck were good people and there is a special reward for her in heaven. My heartfelt sympathy to the family and you are in my prayers.*

What a precious dear Aunt always concerned about others and faithful in visiting and spending time with her sisters and brothers for coffee and she always had a special baked treat she would make. She always carried pictures in her purse of her children grandchildren and her husband to share with others. She loved her life and family and her stories of her memories. She loved the Lord and she always said why can't people just get along and be peaceful. Well she is living in that true world of Peace now and one day when Jesus returns we will live on this earth together in perfect peace and love forever with Jesus. We lift the family up in prayer and we are going to miss her but her faith has ended in sight.
