

Beverly "Bev" Anders

November 18, 1953 - December 10, 2015

Marilyn Beverly "Bev" Anders of Rock Hall, MD, died on Thursday, December 10, 2015, at her home. She was 62.

Born on November 18, 1953, in Chestertown, MD, she was the daughter of the late James Elmer and Charlotte Lorraine Blackiston Anders. Bev attended Rock Hall High School and was in the final class to graduate Rock Hall High School in 1971. She later graduated from Chesapeake College with an associate's degree and worked as a lab technician at Kent and Queen Anne's Hospital, now known as University of Maryland Shore Medical Center at Chestertown, for more than 40 years, receiving her certificate and 40-year pin in 2014.

While working at the hospital, she trained and mentored many of the staff members who currently work in the lab. Bev was loved and respected by her co-workers. She had a terrific sense of humor, a huge heart and generous spirit. She was very committed to the patients and the community in Chestertown and to her home town of Rock Hall. Bev had a love for animals, especially her cats and dogs. She enjoyed flower gardening and did beautiful needlework.

Bev will be greatly missed by her family, friends and co-workers.

She is survived by three aunts, Jean Foreman (John) of Chestertown, MD, Bette Jane McDaniel of Rock Hall, MD, and Bunny Clothier (Bill) of Lusby, MD; and eight cousins.

A memorial service will be held on Saturday, December 19, 2015, at 2:00 pm at Fellows, Helfenbein & Newnam Funeral Home, 130 Speer Road, Chestertown, MD, where relatives and friends may call one hour prior (1-2pm). Interment will be in Wesley Chapel Cemetery, following the service.

In lieu of flowers, contributions may be made in her memory to the Humane Society of Kent County, P.O. Box 352, Chestertown, MD 21620 or to the UMSMC at Chestertown, Hospital Lab, 100 Brown Street, Chestertown, MD, 21620.

“ *I have only worked in the lab with Momma Bev for about 4 years but I've got to say that it was a pleasure. Bev was such a true person; she always told you like it was, and not to hurt you, but honestly meant a lot to her! I loved that about her. I knew that I could go to her and talk to her about anything and I would get nothing but the best in return from her. She will be missed by so many! I know you'll be looking down upon all of us in the lab. Not a day goes by that we don't hear you saying "Oh shut up....I'm so sick of you." You always knew how to make us laugh. We love you Momma Bev. May you Rest In Peace.*

Love,

Brittany Martin

“ *Beverly will be sorely missed by many. I had the pleasure and honor of being a co-worker for many of those 40 years. Bev was a great asset to the hospital, and the lab, and someone I am honored to call a friend. May she find true peace in Heaven.*
