“ John and family,

We feel so blessed and privileged to have had the honor of knowing Bev. She was beautiful to us inside and out. We will always love her and will be thankful for the help that you both have given us during what will always be the most difficult time our lives.

We know that Bev is with Johnny now and, with God, they are watching over all of you. We also know that God will give all of you strength and peace during this time, but please know that we love you and are here for you if you have a need.

“ I remember the first time I saw Mrs. Beverly, she was picking Jessica up from my birthday party and I remember thinking "Jessica never told me she had an older sister". From then on, she and her family opened their hearts and home to me more times than even I can remember. I am blessed to be a family friend of the Beevers, and will always remember Mrs. Beverly being with us at the blink 182 concert, and the backyard Beaver pig roasts, and of course the way she said everyone's name when we were being ridiculous. Rest easy Mrs. Beverly, and say hey to my bud Johnny for me.

*My heart and prayers are with the Beevers now and always.
Love,

“You saw me before I was born and scheduled each day of my life before I began to breathe. Every day was recorded in your Book!”
John, Jessica Jenna and Family , we are truly saddened for each of you as you embrace the loss of Wife, Sister, Daughter and Mom. Certainly your pain is deep and your loss is surreal but know God's Plan is at work and his love for you is strong. Believe in his plan for all of you and trust that Beverly is free from her suffering and at peace in heaven with her son and heavenly family.
