“ *To Ronnie and family- Steve and I are so sad about the passing of Bev. A strong. Independent and private gal, she was always a welcoming presence at TDB! So talented also! I remember Buying my first piece from Bev in the 80's -- still o e of my favorites just like Bev! May she rest on peace and may you have the will and strength to carry on while she watches from above (you know she is)! Kathleen Witte and Stephen Leocha*

“ Stopping by the Dutch Barn was like dropping by for coffee with a friend. Miss Beverly was never too busy to chat and always asked about the family. I'd go there even when I wasn't looking for anything in particular just to hear her stories. She's a special lady who has brightened many lives with her talents for transforming fabric and furniture. Thank you to the Golt family for sharing her with us these many years..

“ Ronnie, Scott, Shelly- I am sorry to hear about Beverly. I know she will be in your hearts and memories. I remember her crab cakes and I use her recipe everytime I make them. Also remember her hearty laugh and always chewing gum. Also remember that time we took a cat all the way to your house in the hood of our car and then Ronnie and Beverly brought it back to us the next day. Those are the memories I love about her. Thinking of you. Robyn

*Dear Ron and family. lighting a yellow candle in memory of all the bright moments that your Dear Beverly brought to your lives. She was so talented and could re-upholster a piece of furniture and always give it to life and beauty. She used the talents that the Lord bestowed on her. The Dutch Barn was more than just a walk thru, you always wanted to linger to share conversation with Beverly and Ron. Very special couple. Always so welcoming. Our home has many pieces of furniture from there as well as our children do to. Beverly is now in the arms of our Lord . God bless. Will always remember you Beverly.
