“ Just saw that Bev had passed and I could not believe I did not hear it before. I wanted to send our condolences to her family. Bev has been doing sewing for Wheeler for more years than I wish to recall! They both loved talking county "politics" and fixing the problems in the county. Bev was a wonderful person. So friendly, and nothing you asked from her was ever too much trouble. Sympathy to all as you heal from this loss.

Love,

Mrs. Peters was my neighbor growing up in Harbor View. She also did all the alterations to my wedding gown nearly 25 years ago. My condolences to Paula and her family.

Bev will always be remembered by many. She was such a talented person and loved her family. We shared birthdays (even though she was five years older). We laughed about that many times. Enjoyed going on bus trips with her and she would always love them. Bev, you will always remain in our hearts. Blessings and love to her family. RIP our dear friend. Lynda and Gene
