“ *A life is like a song we write in our own tone and key. Each life we touch reflects a note that forms the melody. We choose the theme and chorus of the song to bear our name, each will have a special sound and no two can be the same. When someone we love departs, our memories find their song plays on, within the hearts of those they leave behind. May the quiet places of your hearts be filled with sweet echoes of songs, love and memories of Billy. With our deepest sympathy, Wendy and Woody Rue.##imported-begin##Wendy and Woody Rue##imported-end##*

“ Miss. Joedy and Cory, just wanted you are in my thoughts and prayers. As one of the kids in the neighborhood that grew up alongside his son, we all came to know Mr. Billy as a kind and generous man who was quick with a a smile and a helping hand. Whether it was helping us fix a bike, coaching our Little League team or pointing many of friends in a better direction, he was there. He will live on in all of our hearts as a friend, husband and a beloved father. And for those of us who grew up in our small town, he will also live on as a large part of our warm childhood memories. All the best to you and your family. - Jason###imported-begin###Jason Price###imported-end##

“ I will always have fond memories of visiting Margaret and sitting at her picnic table in the kitchen. Billy and Joedy would often come over to visit. Billy was always kidding/teasing Miss Margaret and getting her excited. "Trappe Corner" will never be the same with out Billy there.

My heart goes out to you, Joedy. You were partners for a long time. I will keep you in my prayers.

Warmly Through Christ's Amazing Love,
