Laura,
My love and prayers are with you during this difficult time. In the short time that you have been here you have made an amazing impact on our so many in our community You have touched so many lives and have gained the respect of so many. I count a priviledge to have been you co-worker and your supervisor. Your love for Billy and your precious girls was evident . I listened the quiet joy as you carefully planned every minute of your time together through your text during the day and conversations.. You have been a blessing to me both professionally and personally. Please be assured of my continued support and assitance in any way I can help.
Love you,
Nancy

“ Falby was an amazing man and a dear friend and co worker. His smile brightened every room he entered and just being in his presence brought a smile to your face. His unmistakable voice and laugh still rings in my head as I hold on to the memories of our last interactions.He truely lived life to the fullest and gave every inch of his life 110%. To his wife and children... I am so very sorry for your loss. I pray that God grants you peace and that your memories together bring you comfort as you move forward.

“ Sgt. Falby will always be remembered as a loud warm welcome, happiness and a bright smile. I would always immediately smile when I saw him because I knew he was going to make me smile. He was dedicated to all he did and one outstanding deputy sheriff. Billy had an enormous personality, just huge! I loved every interaction with him. You could NOT dislike him even if you tried. When a light burns that intense it reaches further and touches more in a very short time. I am truly honored to know him and to take what I know of him with me.

“ Laura~
I didn't know Billy well but I've known you for years. The memory I have of Bill is your wedding day. I believe lilac purple napkins, right? lol. Through the years, I remember each time you spoke his name, one could feel the love you have for him. I can't tell you I understand what you're going through, because I don't, I cannot imagine. I can tell you, take people up on the support they have to offer, and please know, I may not understand but I'm here if you need somebody to cry to, vent, yell, laugh, or just to listen. Plant a tree, and every spring when the wind blows that refreshing spring air and the tree is in bloom, remember the beautiful love the two of you shared.
