

Bradley Harkins McLean

June 11, 1971 - June 27, 2024

Bradley Harkins McLean, born June 11, 1971, passed away on June 24, 2024, leaving behind a legacy of love and accomplishment. He was the devoted father of Brenna and Ellee McLean, cherished son of Kathy Welch and the late Robert McLean, and dear brother of Andrew McLean and his wife Kellee. Bradley was a loving uncle to Caitlin Heuler, Bonnie McLean, Mary McLean, and Jared McLean, and a special grandniece, Wednesday Heuler.

Bradley's life was marked by notable achievements both on and off the lacrosse field. He excelled as an outstanding lacrosse player at C. Milton Wright High School, where he graduated in 1989. His talent and dedication continued to shine as he became an All-American lacrosse player for Limestone University, where he earned a place in their Hall of Fame for his exceptional contributions to the sport.

Beyond athletics, Bradley had a passion for gardening and found solace in hunting and fishing. He took great joy in watching his daughters pursue their own athletic passions, always their biggest supporter and advocate.

Bradley McLean will be remembered for his kindness, his competitive spirit, and his unwavering love for his family. His legacy will continue to live on in the hearts of all who knew and loved him. A celebration of life will be held at a later date. In lieu of flowers, a donation in Bradley's memory can be made to the charity of your choice.

“ As the President of Brad's C. Milton Wright Class of 1989, I offer our deepest condolences. He was such an incredibly important dynamic of our class. As Brad's friend, his death has touched me deeply and taken me back to so many special times that we shared in high school. He was a good ole boy who made my life so much better each day. Amazing on the field, but somehow even more amazing as a loyal friend to laugh and have serious conversations with. I hadn't seen Brad in years, but always kept him in my heart, assuming we would meet again one day with open arms. I am grateful for that slice in time when I knew he would have my back, and send healing thoughts to Brad's entire family and best friends.

“ I am so thankful that we got to see my Uncle Brad last Saturday and enjoy crabs with him one last time. He was a wonderful uncle and never missed a chance to lovingly tease me. He taught me how to play lacrosse and was always there to practice with me. He taught me how to use a spoon to spread the jelly on a peanut butter sandwich. And he taught me how to laugh at myself and find the humor in anything.

He was especially sweet to my daughter, Wednesday, and always made sure to bring her smarties, her favorite candy, every time he saw her. I will forever be grateful for how much of an effort he made to be a wonderful grand uncle to her.

He will always have a place in my heart and be greatly missed.

“ You're snarky smile is what I remember most...but behind that smile was friendly and cool dude. So sad to hear of his passing at such a young age.

“ To all the Family of Brad's and his daughter's.
I worked with Brad many years ago. He was so thoughtful and kind and would do anything for anyone. The most important were his two daughters to him! No matter what was thrown to him to deal with he never stopped loving the girls. This is very upsetting to see and I am sending loads of prayers for his family and girls through this difficult time.
I am hoping that someone will carry his legacy of lacrosse and good times for his girls.
May you all know that I just talked to him two months ago and I am so glad I got a chance to see him.
RIP Brad
