

Brady Wilmer Roberts

October 20, 1939 - February 2, 2022

Brady Roberts, a long-time executive at Peninsula Regional Medical Center in Salisbury, and more recently a resident at Bayleigh Chase in Easton, passed away peacefully at Easton Memorial Hospital on February 2, 2022. Brady was a warm and wonderful person with a cheerful word and friendly smile for everyone. He will be deeply missed.

Brady was born in 1939, in Salisbury, to Wilmer Roberts of Clara and Augusta Roberts of Bivalve. He grew up on East Church Street and attended East Salisbury School. Brady was in the first group of classes to attend the then-new campus of Wicomico High School and graduated in 1957. He was in the Wi Hi band and participated in a number of other extracurricular activities.

He received a scholarship to Western Maryland College (now McDaniel College) in Westminster. At WMC he sung in the college choir and participated in several other student activities including the Army ROTC.

At graduation Brady was commissioned as a second lieutenant in the Army and served two years of active duty at Fort Knox Kentucky where he was assigned to the armored training command. Afterward he spent several years in the Army Reserve.

Upon completion of his active-duty service Brady returned to Salisbury where

he was employed at Peninsula General Hospital (later PRMC and now TidalHealth). He spent the next 40 years at PRMC in a number of executive positions. For many years he held purchasing & supply positions, during which time he supervised the upgrading and modernization of the hospital's procurement and internal distribution systems. Several new hospital wings were built during his tenure and he played a critical role in ordering, receiving and placing all of the new furnishings and equipment. For several years he managed the hospital's off-campus facilities and activities. At various times in his career he also was involved in employee training and the management of PRMC's extensive volunteer program.

After retirement Brady was active in several community-service endeavors. He spent many years as a docent at the Ward Waterfowl Museum, where he was one of the longest-serving volunteers. Brady also spent several years volunteering at MAC, Inc, the Area Agency for Aging for Wicomico, Dorchester, Worcester and Somerset Counties where he counseled senior citizens on Medicare and other issues.

Brady was active in several civic organizations. He served on the Boards of the local chapter of AARP and the Institute of Retired Persons; he was treasurer of both organizations for several years. He was a founder, member of the Board of Directors and Finance Chair of the Association for Lifelong Learning, an organization which during his years on the Board grew from startup status to its current role as the region's leading provider of lifelong learning courses.

He was a member of Asbury Methodist Church in Salisbury and the Elks Club.

In 2018 Brady moved from Salisbury to the ACTS retirement community of Bayleigh Chase in Easton where he made a number of new friends and participated in community affairs until the Covid pandemic forced suspension

of most activities.

He is survived by his brother, Michael Roberts & his wife Jean of Kent Island (Stevensville); nephew Mark W. Roberts, wife Karina & stepson Diego of Kent Island; niece Lisa Roberts Smith of Centreville & her child K.A. Smith of Los Angeles; and cousin David Dayton & wife Marcia of Hebron. Cousins John Dayton (survived by his wife Cindy) and Christopher Roberts passed away in the past year.

A memorial gathering will be scheduled later in the year.

Donations in his memory may be made to the American Cancer Society.

“ *Brady was the best great uncle anyone could hope for. He was exceedingly kind, always good natured, and truly cared about everyone, especially his friends and family. He will be greatly missed.*

Kieran Smith - February 11, 2022 at 01:08 AM

“ *Brady was the new employee orientation coordinator when I started at Peninsula in 2014. He greeted our orientation that June 1, 2014 as we prepared for 2 days of learning about Peninsula Regional. That was my first time meeting Brady, who I learned had the title of "Mayor" of PRMC, he was a kind and funny man. I was afforded the opportunity to facilitate workshops with him over the years and so enjoyed his wonderful stories of times gone by at "PGH". Keep watch over us Brady - cheers!*

BH

“ Bill and I are so very sorry to learn of Brady's passing. He was certainly one of our very best friends and we have many special memories! He was a good man and will be missed by many.

Barbie Hannemann - February 06, 2022 at 10:15 AM

MM

Brady was a gem of a person and always calm and happy. I really liked him.

murph mclaughlin - February 06, 2022 at 01:20 PM

DG

I have known Brady for over 40 years. He was my mentor at Peninsula General Hospital when I moved from Florida for a new job in 1981. He taught me the ropes at PGH, showed me the Eastern Shore, made me feel at home.

He was also best man at my wedding in Ireland in 1987.

Even though we lived so far apart (I'm in South Florida) we were able to see each other in 2019 and 2021 and reminisce about all the great old times.

Farewell my friend.

Dennis Grady - February 07, 2022 at 07:55 PM

BS

Brady was my "boss" at PRMC, Tidal Health, when I managed Plus Volunteer Services, though I had known him previously for many years during the many years we were employed there. It was a fun and interesting time working with him. I had the joy of meeting Miss Gussie and loved to watch interactions between Brady and his mother. To th e many relatives I know, and others, may fond memories console you.

Barbara Sturgis - February 08, 2022 at 12:08 AM

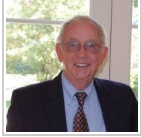

PS

“ Brady will certainly be missed by all who knew him. He was the most gracious man, showing kindness to everyone. We were certainly blessed to have known him and considered him part of our family throughout the years we knew him. We send our deepest sympathy to all the Roberts family, especially Lisa.
