“ *Brenda Leeann, A Beautiful soul who I miss oh so dearly.... I think of you often still and I know in my heart I always will. You were like a big sister to me, teaching me about makeup, self esteem and how to feel pretty. I miss those loud laughs, The sense of humor you carried which was so unique. Your one of a kind personality, The confidence you represented. The beauty you brought with you every where you went. Brenda how I truly miss you, I wonder these years later where we might have been. I know that you are still that special friend, An angel watching over, helping many through certain obstacles just like you always did. Brenda truly missed, Never forgotten, will always love you like the sister I always wanted and found in you.....*

your presence lives on, with the memories and all the things I've learned from you....

You will always be that Angel We know you are... Love you girl
