

Brent Spurry, Sr.

March 7, 1956 - July 2, 2020

On Thursday, July 2, 2020, William “Brent” Spurry, Sr. of Cordova, MD, loving husband, father, and grandfather, passed away at the age of 64 after a 14-year, courageous battle with cancer.

Brent was born on March 7, 1956 in Easton, MD to Marjorie and Harrison Spurry. He grew up in St. Michaels, Maryland and graduated from St. Michaels Middle High School. Brent worked on the water and during that time met the love of his life, Cindy. They were married on February 2, 1979. Throughout Brent’s tough battle, Cindy never left his side. They were each other’s best friend and didn’t do much without one another.

In 1980 Brent and his brother Michael opened Spurry’s Tire Service in Easton, Maryland. Brent took care of his customers and took great pride in operating a small business in the community. Brent’s children, employees, and customers would often chuckle at the “one-liners” he would say on a regular basis. He truly loved going to work each day.

Brent was survived by his loving wife Cindy, his children Sherry, Brent Jr., and Heather; his grandchildren Clay, Taylor, and Jack; and his brothers Joe and Michael Spurry; along with many cousins, nieces, and nephews. Brent also leaves behind his current German Shepherd, Storm. Throughout the years Brent’s kids would say that his dog was his favorite child and Cindy would say

when she dies, she wants to come back as Brent's dog.

A memorial service will be held at a later date.

In lieu of flowers, memorial donations may be made to Talbot County Hospice
586 Cynwood Drive Easton, MD 21601 or the Talbot County Humane Society
PO Box 1143 Easton, MD 21601.

He was fair, honest, always made time for you, took care of you and made your day better. His word was good. Won't be the same without him.*

“ Cindy, Sherry, Brent & Michael - I am so very saddened by this news of Brent. My prayers & heart are with you all. I know he will be missed by many. I'm glad that I worked for him & Mike and became their friend. They treated me well while I was their employee. I remember some of his "one-liner's"! Even on hectic, crazy days when his nerves were on edge, his sense of humor came to the surface! I hadn't forgotten him nor will I forget. I'll be praying for all of you in the coming weeks & months. Love to all...

“ Dear Cindy, Brent, Sherry and Heather,

We are saddened by the loss of Brent. We and many young men haven't forgotten all the work and support that made our football team a fun place for kids to spend some time and learn the game.

His sense of humor is most memorable!

After his long battle, we trust he is at peace.

“ Mr. Spurry will be missed within this community greatly. The professionalism and care his company provides is second to none within this community. Mr. Spurry has taken care of my company needs many times over the years and always looked forward to the conversation we would have most of the time while he was changing my tires or checking something out for me. There was not a more caring business owner in this community then Mr. Spurry. Prayers to the family. Talbot County lost a great man but he left a tremendous legacy for his family to continue into the future. Rest in peace Mr. Spurry.

My prayers go out to the entire Spurry family. Your dad loved people but loved helping them more. He never complain about his illness only about me never answering the phone. He was proud when you came to work with him and Mike but even prouder to see you could handed it. Take some comfort knowing he is no longer in pain. Heaven just got a little brighter! RIP Brent SR!

“ This man was my little league baseball coach. This man paid for my college. This man was my boss. This man gave me excellent life advice. This man never lied to me once. This man never let me down whenever I needed anything. This man was my father. Honestly, growing up he scared the living shit out of me. My uncle and him would work day and night to build what they have today. I didn't see him much as a child because he was such a determined provider.

Once I started baseball at age 10, he became my coach. He would work all day and come straight to practice and pitch batting practice to all 20 kids.

Once I got into high school we kinda butted heads.

I know now that we did because he was kind of a Saint Michaels hellion back in the day and didn't want me to make the same mistakes. He used to always say "brent, nothing good happens after 10pm" (he was right). I graduated in 2000 and went off to college.

Back then, dad wasn't even a big football fan but he pretty much made it to every game I played. He would always give me a thumbs up from the crowd and even with thousands of people cheering, that thumbs up meant more than anything. At the end of each game he would feed me and slip me a hundred dollar bill saying "get good grades and stay out of trouble. I graduated college on a Saturday and was full time at Spurrys tire on a Monday. Dad took me on my first night road service call for a tractor trailer and it was so frightening. Of course he handled it like a boss. Brent spurry Sr. worked harder than any man ive ever met. Every morning he cleaned the shop. And his hands would be dirty by 7am. No-one could out work that man. Brent Sr was the perfect example of consistent hard work, honesty, and fairness. He would never ask an employee to do something he wouldn't do himself. It's very comforting to have a boss that works and sweats right beside you. He taught me to never judge anyone by their appearance and be upfront and honest with everyone that approaches you. He would constantly emphasize service.

I worked with dad every single day for 15 years.

In those 15 years he became my mentor and my teacher.

It took a long time for dad to actually become my friend but I learned that he was focused on being my father.

we really did work well together. (I just had to learn sometimes to keep my mouth shut) I can only hope one day to become the man that he was.

My favorite memories were on Sundays. We would work 60 hours together all week, so We really didnt have anything to say to one another by the weekend.

We would just sit on the couch and watch deadliest catch, like friends do. My dad was the closest man in my life. He was my friend. Love you dad.

Brent,

Your dad was incredibly proud of you. I can't tell you how many great conversations we had about you over the years while the "the Spurry family took care of my car, truck and equipment problems". Thank you. I have not been in Talbot County for over 2 years now but still have fond memories of you and your dad. What would Brent senior want? He would tell you to stop thinking about the past and get back to work. Yes, get back to work but don't forget your past and the foundation that it was built on. I am sorry for your lose but happy for your memories. Highest regards, Ted Passyn
