“ *Brian, family, friends. I just heard of your passing today and honestly I'm in utter disbelief! I will never forget you Brian and all of the great memories, love and laughter we shared, people we met, adventures we went on, you being there in my darkest hour of Sunny passing. Thank you for being a part of my journey. You left the physical world and a lot of saddened hearts behind, but your memory lives on eternally. I'm praying for your Mom, who I know is devastated beyond words, as well as your family, girlfriend and the people that called you a friend. You're a good man, may peace forever be your comfort with our dear Lord above...Always, Melissa V.*
