“ *Robbie, John, Michael, Cathy and the family of Brian- you have our thoughts and prayers at this time. It was a pleasure to know Brian and have him for a brother-in-law and uncle. He was always welcoming and friendly. I especially remember his big Halloween displays. The Fisher family.*

“ *To Joyce and Brian's son's. My heartfelt condolences at your loss. I have sweet recollections of Brian and his family living just down the street from ours in Ramsey, NJ. Childhood reminiscences of playing in the yard, hanging out with the neighborhood rascals, family gatherings, going to the pool all summer, riding bikes. Brian will be missed, but I am so very grateful for the memories.*

“ *To many memories to share. I loved my brother with all my heart. He was a good soul with a big heart. When my husband Mike passed he was my rock. He was great with all who knew him. Always there to lend a helping hand. He was a wonderful father and Uncle to his sons, niece, nephew, great niece and nephews. He was loved by all. He had a great passion for animals especially dogs. He will be missed. In my dreams you're still here with me. In my life you're a beautiful memory that I will hold onto everyday. Love your sister, Joyce*

“ Brian was my brother-in-law for decades, but he really was a brother. He was so giving to all of our family, and always there when there was a need. Brian was also a loving consistent presence for my daughter, for which I will always be grateful. Brian will be in our hearts, always.

“ I always felt that Brien could not wait to see his boys after work. And they waited for him to come home. It was lovely to see. He will be missed.
