“ Brian,

I miss you so very much. You took a large part of my heart and life with you. I know we will be together soon and I will continue to help you no matter what. I love you and miss you more and more everyday. I can't tell you how many times my cell phone rings and I think it's you, because you always called me when I went anywhere or the times at night I hear noises and I wait for you to come in the door. My heart aches more and more and I just can't believe you are not here to go shopping and stop for our little lunches. I really enjoyed our times together and we will have them again soon I promise. I love you with all my heart and soul. For now a kiss goodnight.

All my love always and forever,

“ To Brian's family,

I was so sorry to hear about Brian. I wasn't a close friend of his, I met him when he first joined Kent Island FD, I was the EMS lieutenant. Brian showed great promise and was so eager to learn all he could. I trained him on a few things and he was truly a great young man. He had a wonderful smile and a great personality, and he will be missed. Please accept my condolences.###imported-begin###April Rutherford###imported-end###

“ Brian, my second son...how my heart aches and misses you already. Luckily I have lots of memories, and (unfortunately) a few extra pounds due to making all those brownies for you :-) I will miss your smiling face coming through the door and giving me hugs! You were loved by many, and you will be missed more than you know. Matt misses you and so does Ashley, but we hope that you are now at peace, because we know how hard things have been for you the past few years. Thank you for sharing your life with us and being one of Matt's best friends. Love and miss you....Momma Dukes###imported-begin##Whitney Gellert "Momma Dukes"###imported-end##

“ Brian,
So many of my memories growing up involve you. Almost like an older brother, I guess. Either getting me and Des into trouble, or keeping us out of trouble. You were always someone who could make me laugh, always someone who made me feel good about myself. You took my to my first high school homecoming...and I will never forget that. I look at the pictures of us from that night and I am so happy that I have those memories, but...I am sad that I will no longer get to make memories with you.

I hope you rest easy, Brian.

I love you.###imported-begin##Jen Jamison###imported-end##
