

Brittany Nicole Hampton

October 9, 1985 - September 17, 2025

Brittany Nicole Hampton passed away at home with her parents at her side on September 17, 2025 after a valiant battle with cancer. Brittany was a loving and supportive mother, beloved daughter, and honored sister. She will be remembered for her love of family, friends, and the simple things in life. She is survived by her son Josh Richardson, parents Kathy and Dave Bryant and Shane and Wanda Hampton, her brothers Teddy Hampton, Kenley (Kate) Hampton, Bobby Ford, Tommy Ford, her grandparents, Dickie Hunter, Bobbi Burr and Abby Hampton, her cousin and partner in crime, Tara Calzaretta as well as several nieces, nephews, and last but certainly not least, her boyfriend Will Butler. Pre-deceased by her great grandparents, HB and Margie Gilmore, and grandmother Cheryl Hunter.

Brittany was born in Easton Maryland. She lived in Stevensville and graduated in 2003 from Kent Island High School where she developed friendships that lasted throughout her lifetime. Brittany became a Certified Nursing Assistant through William Hill Manor and then continued to get certified as a Medicine Tech working at several of the nursing homes in the area. She absolutely loved the residents that she cared for often sharing a story about her day with them making them smile and feel loved.

She never missed a chance to decorate for any occasion. When there were no holidays, she would display her love for sunflowers brightening up any

window or wall or mirror.

Brittany had a way of bringing humor into her everyday life. Even when in the care of hospice, she would rattle off hilarious movie quotes, making everyone laugh.

Brittany's infectious smile and laughter will live on in the hearts of those who knew and loved her.

Rest in peace Brittany, you are forever loved and forever remembered.

“ I remember playing with Brittany when we were little and running into her when we were adults, too. She always had a smile on her face and was so sweet with the seniors and the children she worked with! I'm so sorry.

“ *Brit and I where sisters, maybe not by blood but we where ever since we met in 9th grade. We lived together for over a year when I was 16-17. My heart is so broken over this and it’s so unfair. I’m truly angry over this. I am glad she is no longer suffering, watching her struggle for almost a year since she was only given about 24-48 hours to live she proved she would go when she was ready, that was our Brit. I will never forget you . I love you so much and I know you have already given me signs your ok. Rest in peace my friend/ sister.*
