

Bruce Paul Bedford

June 28, 1940 - April 29, 2021

Bruce Paul Bedford passed away on the 29 of April 2021, in Baltimore, MD, at the University of Maryland Shock Trauma Center. He was 81 years old.

Bruce was born June 28, 1940, in Bridgeport, CT, to Elizabeth and Harry Bedford, their second child and only son. He received a Bachelor's of Science from Yale University (Class of '62) and an MBA from Harvard Business School (Class of '64).

In 1964, he married Ann Logan of New Haven, CT. They have two daughters, Susan and Julie. Settling in Dayton, OH, Ann worked as a Registered Nurse, and Bruce started his career as an executive at Mead Paper Corporation.

In 1983, Bruce started his own fixed income mutual fund, Flagship Resources, and delivered extraordinary returns for customers and clients over many years. In 1993, Bruce was named Ohio's Ernst + Young Entrepreneur of the Year and was nominated for American Entrepreneur of the Year. Flagship was acquired by Nuveen & Co. in 1997.

He also served on the board of directors for Antioch University, where he received a Ph. D, and served as Chancellor of the College for several years.

Bruce never really retired. In the later part of his career, he acted as investor

and mentor to entrepreneurs in the USA and Canada. He helped start new companies for syndicated loans, health-tech, marine technology and others.

Busy to the end, at the time of his death, Bruce was finishing his thesis for a Masters Degree in International Diplomacy at Norwich University.

He is survived by his sister Bonnie; his wife of 58 years, Ann; his daughters, Susan (Jason) and Julie (Doug); grandchildren, Elizabeth Martin, Joseph Martin, Dylan Vanderbilt; numerous nieces and nephews, and many friends and partners he made during his very full life.

If he were here, he would buy you ice cream and tell you, "Things happen, and then they pass." Maybe you can buy ice cream for someone on his behalf.

In lieu of flowers, please donate to an educational charity of your choosing in his name.

News regarding a memorial service will follow sometime in the future, after Covid-19 restrictions are lifted.

“ I never met Bruce, but I know that his efforts, guidance, and collaboration created opportunities for me to succeed at Antioch. Not only was I a student (graduating in 2020) but I have also had the privilege of working with Antioch as an employee. I know that his contributions made a difference, and for that, I am very grateful for Bruce. I hope that those who knew him are finding serenity, healing and calm during this time. Rest in peace & thank you for everything.

“ *Bruce as a friend, neighbor and Board Chairman for many years of our HOA, will be lovingly remembered for his gracious leadership and community inclusiveness. Bruce served selflessly with humility, guiding our members with his intelligence and wisdom. Bruce was open to new ideas and always expressed thanks to others for their contributions. My deep sympathies and love are with his family, may they cherish the many memories of a life well lived.*

“ On behalf of the Board, faculty and staff at Antioch University, I want to express our deepest sorrow for your loss. Bruce had been devoted to Antioch for almost 30 years, serving first on the Board of Visitors of our Midwest campus in Yellow Springs, Ohio and then on the Board of Governors of the University since July 1, 1998. He was a brilliant and innovative mentor to many of us and a friend and colleague to everyone. He gave generously of his time and talent during many stressful and challenging years. We know how much he loved Antioch and you should know how much we loved him. He will be greatly missed. Ann, thank you for sharing Bruce with us over these past 3 decades. Our thoughts are with you and your family.
