“ *I joined Orchard Beach VFD in 1996. Bruce was the first person there I met. I was very intimidated as a brand new member in the fire service but Bruce took me under his wing and he was right with me on my first fire. 20 years later I have never forgotten that initial act of kindness I can honestly say that if it wasn't for Bruce I would not be where I am today.*

“ *I had the pleasure of meeting Bruce one time. Janice introduced him as her best friend, her brother from another mother. I never saw him after that but I do remember his gregarious nature, his caring heart and that show stoping smile! You don't meet many people like him in this world and even though for one instance for five minutes, I am sincerely glad I met him.*

“ Bruce and I met in 1993, about a year before I married one of his former classmates, Brandi Haley. We each watched as our first houses were built almost next door to each other in Stone Beach. Bruce was a career Firefighter with Fort Meade F.D. and he was usually always tagging along side Chief Sauna on his way into our buildings, always saying "hey neighbor" to me. I always knew Bruce would one day be in Fran's shoes. After 1999, my wife, along with our two girls and I moved out of Stone Beach and over to Chesterfield subdivision. We had left behind some good friends in Bruce, Melanie, Laura, Chris, Miss Gail and Bruce Senior. Lives wound up going separate ways, but we kept in touch from time to time. Gail always somehow showed up at Lauers when we were there. Chris and Laura grew up. And we had two more kids. But, we will never forget the friendship we shared in that short period of time. it is funny how time passes us by. Rest now, Bruce.
