“ *I was searching for Allen, we were friends during the mid-1970s. I knew him to be a great chef as well. Looks like I am to late. Be at peace my friend.*

“ *Allen fought one hell of a good fight against cancer and kidney disease! Now it is time for him to rest. I will be forever grateful to have met Allen and his brother Robert. Always had a smile on his face no matter how bad he was feeling. My heart is now sad for his Mom, Robert and Rufus. The pain and sadness you must feel at this time. Remember the good times! Allen would not want you to be sad at his passing he would want you to celebrate his living and all of the memories that you shared. My heart goes out to you all. Georgie. Advanced Dialysis*
