“ Carl was a great friend of ours and neighbor. He will missed so much. He was always willing to help me in my garden and give me helpful tips. I always looked forward to his visits while I was in the garden. My husband Chuck had the great pleasure to work with Carl in his garage and learned so much from him. He has so many great talks with him that he cherishes. We just loved him and will miss his beautiful smile and laugh. Our thoughts and prayers are with Barb and his entire family and friends.
