

Carol Linda Berrigan

November 21, 1932 - April 13, 2023

Carol Linda Berrigan was a loving wife, mother, grandmother, great grandmother, sister, aunt and friend. She left this world on April 13, 2023. Born on November 21, 1932, in Plymouth, Massachusetts, she was the eighth child of Earland and Frances Springer. After graduating from high school, she moved to Boston to become a comptometer operator (think early adding machine.) While living in the Boston area, she met and married James Berrigan on February 14, 1953.

In the ensuing years, they lived in New York City, Plympton MA, New Haven CT, Meriden CT, Dover DE, Denton MD and finally, Easton MD.

Carol had an artistic soul, most recently shown through quilting, weaving, and gardening. Shortly after the death of her husband in 1990, she purchased a summer home in Friendship, ME, where she reveled in her time there, where she welcomed friends and family. She especially loved the Round Top ice cream store and claimed that her car would automatically turn in when she approached it.

Carol enjoyed traveling with her husband, and with friends. She traveled to Sweden to a weaving school, Marseilles on a quilting tour, and Scotland on a weaving tour, among many other adventures.

Carol loved animals and they loved her back. As a child on a small farm in Plympton MA, she had multiple dogs, cats, a goat, and even a pony. As an adult, her life revolved around dogs, especially Wendy, the yellow lab, her favorite.

Carol is survived by her children; Timothy (Tracy), Pauline, Thomas, Michael (Becca), six grandchildren: Ryan, Holly, Margaret, James, Patrick, and Katherine, and two great granddaughters; Abigail Berrigan and Freya Jansson.

In lieu of flowers, please consider donating to Talbot Hospice.

So sorry for the family's loss. Carol was a great neighbor when she lived in Woodland Farms. She helped me identify a baby humming bird my cat brought home and it was still alive. I knew she would know what that tiny thing was.

“ I remember meeting Carol at Jim Chaffinch's Principles of Banking class because she wanted to be able to talk with her husband, Jim Berrigan, about banking. Needless to say, I was extremely impressed. Very special lady!
